

Minneapolis Gun Club Jackpot May 9, 2020

The 2020-2021 Jackpot season is underway!!!! The weather today wasn't too bad. A cool start but it warmed up to the upper 50's real quick. The winds were light and the rain held off until we were done shooting.

Lots of good shooters and the competition was tight. 47 ended up being high score and there were 4 of them shot. Derek Fischer shot 2 of them, Glenn Linden and Scott Steffen each one. Great shooting guys.

Thanks to everyone who participated today. It was good to see people out shooting and enjoying the game.
