PRESIDENT'S MESSAGE

Welcome and Gooooood Morning! You have chosen to attend Minnesota's 107th Annual Trapshooting State Tournament. Thank you, Shooters, Sponsors, Families and Friends—YOU continue to make the Minnesota State Shoot a Fantastic event.

We have changed a few things this year and we hope you enjoy them. Please pay particular attention to:

1. Penalty classification and yardage;
2. Diamond Badge competition;
3. Championship Singles starting at 8:00 AM on Saturday;
4. MTA Business Meeting on Sunday at 8:00 AM;
5. Enhanced trophy package and All-American points for residents and non-residents.

As far as our shooting program, we have maintained a great schedule. Our week starts off on Monday with Youth Shooting Day; Preliminary Warm-Up Day on Tuesday; HOA starts Wednesday; Thursday is our “Miss and Out” competition sponsored by **Bob Schultz Target Shotguns** including “Free Brats” for shooters and their families; Friday is our Awards Banquet and Hall of Fame Induction; Saturday is Championship Singles; and Sunday is Championship Handicap. It's a week full of excellent competition, friends, food, and fun. You can't ask for much more.

I want to urge all of our shooters to attend our Awards Banquet and Hall of Fame Induction. It is a privilege to honor our Minnesota shooters and HOF Inductees for their accomplishments. Everyone appreciates acknowledgement for their accomplishments, and attending the banquet is a great way to do that with friends, family, and peers alike.

Our “silent auction” and “live auction” will have many items that will appeal to you. If you have an item that you would like to donate, please contact any MTA Director to get your item added to the list. Proceeds from these auctions benefit the Minnesota Youth Shooting Programs and the MTA greatly appreciates your support.

Sunday's Annual Business meeting will begin promptly at 8:00 AM. New officers and directors will be elected and any new business that needs your attention will be openly addressed. Should you have something you want discussed at the annual meeting, please submit your proposal to the BOD at least 10 days prior to the meeting. Plan on attending to show your support and have your voice heard.

When you see and talk to our event sponsors and advertisers, be sure to say “Thank You” for their continued support and dedication to the MTA and our State Shoot. Have a Great Shoot! Remember to shoot more and shoot more often. More ammo please!

Sincerely,
Scott Messenger
PRESIDENT, MTA

CATEGORY SHOOTERS

SPECIAL ATA CATEGORIES

(from the 2016 ATA Rulebook, Section IV, Paragraph J.)

All Lady I, Lady II, Sub-Junior, Junior, Junior Gold, Sub-Veteran, Veteran, and Senior-Vets must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. Without such declaration, the contestant will not be allowed to compete for the applicable category trophy. No contestant will be allowed to declare or change a special declaration after firing his/her first shot. The only exception to this rule will be to correct an ATA classification error. The following rules apply to shooters who have declared a special category. At all tournaments where All American points will be awarded in any event, shooters may declare only one (1) category (i.e. Lady I, Lady II, Sub Junior, Junior, Junior Gold, Sub-Veteran, Veteran, or Senior Veteran). Note: Chair shooters are exempt from this rule.

1. A female shooter, who has not reached her 55th Birthday, may declare Lady I.
2. A female shooter, who has reached her 55th Birthday, may declare Lady II.
3. A shooter who has not reached his/her 15th birthday may declare Sub-Junior.
4. A shooter who is 15 but has not reached his/her 18th birthday may declare as Junior.
5. A shooter who is 18 but has not reached his/her 23rd birthday may declare as Junior Gold.
6. A shooter who is 55 but not reached his/her 65th birthday may declare as a Sub-Veteran.
7. A shooter who is 65 but not reached his/her 70th birthday may declare as a Veteran.
8. A shooter who is 70 years of age and older may declare as a Senior Veteran.
9. Age-based categories are established on the birthday of the shooter. For purposes of determining age category for HOA and HAA awards the category declared by the participant on the first day he/she shoots shall be used.
10. Shooters who become eligible for new age-based categories during the target year may elect to continue to compete in the previous category for the remainder of that target year. (For example a shooter reaching age 70 may elect to continue to shoot as a Veteran for the remainder of the current target year.) However, once a shooter has elected to move to the new category that decision is irrevocable and he/she may not again declare eligibility for the previous category. Junior shooters reaching the age of 18 may continue to declare Junior category for the remainder of the current target year.

When there is no Sub-Junior trophy Sub-Juniors will be included in the Junior category. Senior Veterans will be included in the Veteran category when there is no Senior Veteran trophy. Where there is no Junior Gold or Sub-Veteran Trophy, these shooters will be included in the Open Class. Where there is no Lady II trophy, these shooters will be included in the Lady I category.

SPECIAL MINNESOTA-ONLY CATEGORIES

MN LADY B (Previously known as Lady II) applies to female shooters whose Singles Category is Class C or D.

NOVICE CATEGORY applies to shooters with no registered targets prior to the current ATA target year.

MINNESOTA TRAPSHOOTING ASSOCIATION 2017 HALL OF FAME INDUCTEES

Kathy & Steve Shane

KATHY AND STEVE have been shooting ATA targets for a combined 41 years and have shot 119,350 targets. They have both won various events at Zone, State, Grand and many local shoots.

Steve has been involved with the MTA, being on the State Board for several years, and helping out wherever he was asked to fill in.

Kathy and Steve have both been involved with the Fairmont Trap for many years. Steve has been on the board off and on for 30+ years and Kathy has been on the board for the last 8 years. They were involved in moving the club from the old location at the fairgrounds to the new location east of Fairmont. This included many hours of volunteer work in electrical wiring, painting, laying carpet, etc. They are always happy to help with any projects at the club.

Steve and Kathy helped bring ATA back to the Fairmont Trap Club. From getting the flyers made and sent, to sending in the results to the ATA, it's a lot of work, but also fun for them. They know it wouldn't all come together, though, without the help and support of the other board members and ATA shooters at the club.

They are both NRA Level 1 coaches for the Fairmont High School Trap Team. They both enjoy working with the kids, encouraging them to hone their skills and to keep shooting during the summer. Steve and Kathy make sure team members know that they both are available anytime for personal instruction. A few have taken them up on that! They also encourage kids to go to ATA events, even offering them a ride if needed.

The non-profit started by Kathy, "Youth Educational Shooting Sports" (YESS), has received many donations. This provides funds for NRA shotgun-coach training, and helps to keep team member costs down for the Fairmont High School Trap Team, Martin Luther High School Trap Team, 4-H shooting sports and the club's summer youth program.

The Fairmont Trap Club's biggest fund raiser each year is the gun show. Kathy and Steve took it over 12 years ago, when there were about 30 tables. That number has now grown to 100. Vendors come from South Dakota, Wisconsin, Iowa and Minnesota. It's gotten to be quite a tradition in southern Minnesota.

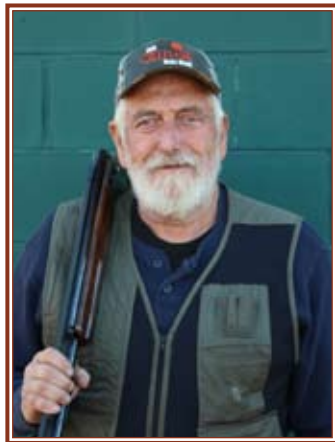

Steve and Kathy have always been there for the Fairmont Trap Club, the MTA and ATA, promoting the sport and lending a hand when and where they could.

MINNESOTA TRAPSHOOTING ASSOCIATION 2017 HALL OF FAME INDUCTEES

Tom Townsend

TOM'S first exposure to shooting was as a boy growing up on a farm near Villard, MN, shooting gophers and hunting with family and friends. In April 1972, Tom and Cindy were married and a month later he joined the Air Force. While stationed at Davis-Monthan AFB in Tucson from 1972 to 1976, he began trapshooting. "In our free time we would go out into the desert and throw clay targets by hand. We lived within two miles of the Tucson trap range, then located on the east side of town. We went there twice and observed

the shooting from our vehicle, never getting out! It was after we moved home to Alexandria, MN, that Tom got involved with the trap range (then known as 'Golden Eagle'), first as a shooter and then, over time, he became involved with the mechanics of the range. At the end of 2002, Tom became one of several investors in the ownership of Alexandria Shooting Park. In 2011, he became the General Manager of ASP. He began his working career as a mechanic at Newhouse Machinery in 1969, with a four-year leave in the US Air Force. In 1990, he became part of the ownership of Newhouse Machinery. In 2004, the company name changed to Alex Power Equipment, where he is an active owner in the business."

Tom has always had an interest in training youth in the shooting sports, and he taught Firearm Safety as a training officer for 20 years. His passion for the sport of trapshooting is reflected in his work coaching youth and adults. Tom is always willing to assist shooters in any way he can. Many a time his work at the range has come to a halt to assist a shooter. He started coaching youth in 2005, with the summer Alexandria Area Youth Trap League, which he is still involved with to this day. In 2010, when the Minnesota High School Clay Target League Championship was moved to Alexandria, the Alexandria Area High School Trap Team was formed. The team started with six students and has had as many as 90 in one year. Tom began as head coach and still is to this day. He takes great pride in seeing young shooters excel in the sport.

As a shooter, he knows what he likes to have happen at shooting events, and he strives to make shooting events at Alexandria Shooting Park enjoyable for all who attend. Even when he travels to other clubs, and they have mechanical problems, he's always ready to help.

One of Tom's greatest accomplishments in trapshooting was winning the MTA Handicap Championship in 1984. His score was 99x100 and he won it outright. He almost left that day without collecting his trophy. Since Tom had

only been shooting ATA competitively since 1980, he didn't realize he could actually win that day. Over his years of shooting he has won many trophies—one of them being a Browning Citori won at Metro Gun Club in 1984, which he used until 2015. He has made the Minnesota State Team four times in his career. As of March 2017, his lifetime targets are: Singles - 83,250, Handicap - 90,300, Doubles - 59,200.

Over his years of shooting, Tom has gained many friends and memories to treasure and share. Tom also has taken great pride in seeing his daughters excel in the sport of trapshooting. His only regret is they did not start shooting sooner. They, too, have achieved great accomplishments in their shooting careers and credit their dad for his guidance and support. As a family they enjoy going to the Heartland Grand over the Labor Day weekend—their “wind-down” from the season. All five of them have brought trophies home from the Stockdale Gun Club. It was their son-in-law Luke, who beat them all by getting his picture on the cover of *Trap and Field*—an achievement they all take pride in and enjoy together.

COMPOSED BY TOM'S FAMILY

HELP SAVE LABOR COSTS

Alexandria Shooting Park has done a great job controlling our labor expenses since they started holding our shoot. To help maintain our low costs, the club and the MTA request that shooters not wishing to save their hulls please catch them and hold them in a bag until you are finished shooting, then discard them in a trash bin.

This will save the labor time required to clean up our fields.

Thank you for your help.

SHOOTERS

The MTA supports the continuing efforts of the National Rifle Association.

We encourage every shooter to join the NRA and support their diligent work to protect our rights as shotgun sportsmen and sportswomen.

Please visit the NRA booth at this year's State Shoot!

MINNESOTA TRAPSHOOTING ASSOCIATION

ANNUAL MEETING

Sunday, July 9, 2017 – 8:00 am

Please note that the Annual Meeting of the Minnesota Trapshooting Association will be held SUNDAY MORNING AT 8:00AM. Any new business a member would like to discuss and vote on at this meeting must be submitted in writing to the Secretary of the Minnesota Trapshooting Association at least TEN DAYS PRIOR to the date of the Annual Meeting. Any requests submitted will be posted on the bulletin board on the grounds at the State Shoot.

NOTE:

ONLY cashiering will be open during the Annual Meeting.
Classification and Squadding will close during the Annual Meeting.

During the Annual Meeting we will review the past year's financial details, any new business, and hold our annual elections. Each year there are several open offices up for election so it is important all members make every effort to attend.

We will be holding the voting on Sunday. Unless a position is contested, the voting will be done by show of hands. In case of a contested position, there will be a ballot vote.

Votes will be tabulated by the Secretary and Senior Zone Directors. Nominees with the highest vote count will be posted on the bulletin board by 1:00pm Sunday.

MTA'S COMMITMENT TO YOUTH SHOOTING

The Minnesota Trapshooting Association is committed to actively promoting trapshooting to young people. We encourage every shooter to take a kid out to the range and teach them safety, respect, and the responsibility that goes along with any shooting sport.

Please take the time to build a youth program at your local club. The future of our sport and all shooting sports is in our young people. It is our responsibility to provide them with positive experiences that will start them on the lifelong enjoyment of trapshooting.

YOUTH DAY

(Minnesota Residents Only)

Monday July 3, 2017

FREQUENTLY ASKED QUESTIONS

Who can participate? Youth Day is for Minnesota resident youth shooters who fall into AIM age-category guidelines.

Do I have to bring my own shells? Yes. You will be required to bring whatever you will need to shoot the events you choose for the day. Shells are available for purchase on site.

What else should I bring with me? Bring your ATA membership card (the hard blue or orange card with your ATA number on it), your ATA paper average card, a check or cash for registration, your gun and shooting supplies, and be prepared for a fantastic day! Many shooters also bring a small cooler with snacks and drinks; a free lunch is provided for shooters. Alexandria Shooting Park will also have items for purchase.

Is it expensive for my youth shooter to participate? No, in fact the MTA grants each Minnesota-resident youth shooter discounted target costs for youth day. In addition the MTA provides discounted targets for the remainder of the shoot for all events. The MTA also pays for the first year's membership dues to the ATA. Shells are the responsibility of each shooter for the events they wish to participate in. In addition, free lunch is provided onsite for youth shooters.

Does the MTA take credit cards or debit cards? No, cash or checks only. There is no ATM onsite so please make sure your shooter comes prepared.

What time should I arrive? Registration begins at 8:00am so plan to come early and be prepared ahead of shooting time, especially if you are looking to join a team or for someone to complete your team. Shooting begins promptly at 9:00am.

I'm a Sub-Junior but my friends are all Juniors – can I shoot with them? Yes. Youth shooters of different age categories may choose to shoot together however, for team award purposes, the shooter with the oldest age category will determine the category for the entire squad. For example: 4 Sub-Jr's and 1 Junior shooting on the same squad will be considered a Junior squad for team purposes only.

I do not have a team. Can I still compete? Absolutely! Youth Day is both a team and an individual competition. Sometimes there are partial teams looking for shooters in their category to make a full team too, so check with shoot staff when you get to this year's Youth Day for more information.

When will trophies be awarded? The Awards Ceremony will convene 1 hour after the final shooter has completed their round.

More information will be mailed out to current ATA youth shooters, gun clubs throwing ATA targets in 2017, and available online at the MTA's official website www.minnesotatrap.com.

If you have specific questions regarding Youth Day, please contact Mark Stevens (612-703-6155) or Sally Stevens (763-486-0853).

WHAT IS THE DIAMOND BADGE AND WHY DO WE SHOOT FOR IT?

The historic Minnesota Diamond Badge has been in competition since 1885, when George Baldwin of St. Paul won it with a score of 43x50. The badge was donated by the St. Paul citizens and was competed for at the State Fair. The badge was an elaborate affair in design, with guns and other sporting designs, and carried a perfect one-karat diamond in the center. It was a perpetual badge never to be in the possession of any one individual.

The Minnesota Diamond Badge originally consisted of 26 targets at 16 yards and 12 pair of doubles, for a total of 50 targets. It was considered the Minnesota State Championship from 1885 through 1913 until the American Trapshooting began State Championships in 1914.

Each year Minnesota shooters relive the past by competing in a fun shoot with hopes of being honored a Diamond Badge replica. While the shoot format has changed, the competitive spirit associated with Diamond Badge lives on. Good luck today, shooters!

The Minnesota Trapshooting Association is the current custodian and it is kept locked away in a safety deposit box in St. Cloud, MN.

HOW THE ATA SUPPORTS STATE ORGANIZATIONS

The ATA, in its program of building strong state associations, aids them financially. From each \$20 ATA annual membership, \$2 is returned to the state organization. From each \$500 ATA life membership, \$250 is returned to the state organization over a ten (10) year period, and part is retained in a special ATA emergency fund.

From the \$3 daily fee you pay, twenty percent (20%) is returned to the state organization.

The MTA's refund for 2016 from the ATA is \$5,959.00
