PRESIDENT'S MESSAGE

Fellow Shooters –

WELCOME to the 108th Minnesota State Trapshoot. We hope you enjoy our shoot and hospitality as much as we enjoy the fact that you have chosen to attend our shoot. Please take note of the following changes for the 2018 Minnesota State Trapshoot.

1. There will be no penalty classification or penalty yardage for Sub-Juniors, Juniors, and Senior Veterans.
2. One check for “added money” and/or “option money” will be printed at the conclusion of the tournament.
3. The MTA has added money to the Diamond Badge event in hopes of increasing participation for this time honored tradition.

The MTA would like to acknowledge our 2018 Minnesota State Trapshoot sponsors:

1. Aguila Ammunition for Tuesday's Warm-Up Singles
2. Bob Schultz Target Shotguns for Thursday's Brat Feed. This is open to all shooters and their families.
3. White Flyer Targets for Thursday's President's Handicap event.
4. Minneapolis Gun Club for Friday's Doubles Championship event.
5. Shamrock Leather for Friday's Memorial Handicap event. This year marks Shamrock's “50th Anniversary”.
6. Federal Ammunition for Saturday's Singles Championship event.
7. Alex Power Equipment for Sunday's Handicap Championship event.

Be sure to stop by our sponsors and vendors and say “Thank You.” Let them know you appreciate their contributions and commitment to our State Shoot.

Friday evening is our Awards Banquet and Hall of Fame Induction. I would strongly encourage and request that all current Hall of Fame members be in attendance to welcome our new Hall of Fame inductees. It is a privilege to honor our Minnesota shooters for their accomplishments. Immediately following the awards ceremony, we will conduct our “live” auction. If you have an item you would like to contribute to our “live” or “silent” auction, please contact any MTA director. Proceeds benefit the Minnesota Youth Shooting Program and your support is appreciated.

Sunday is our annual business meeting and election of officers. It has been my privilege to serve as your President for the last two years. However, I will not be seeking re-election at the end of the current term. Start thinking about getting involved. Put a little “skin in the game” and consider giving back a little of your time to the sport that you enjoy so much. I want to thank all of the MTA Board of Directors for their efforts, help, and fantastic support of the MTA. It has truly been a team effort. Have a great time and shoot well.

Best Regards,

Scott Messenger

CATEGORY SHOOTERS

SPECIAL ATA CATEGORIES

(from the 2017 ATA Rulebook, Section IV, Paragraph J.)

All Lady I, Lady II, Sub-Junior, Junior, Junior Gold, Sub-Veteran, Veteran, Sr-Veteran, and Chairshooters must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. Without such declaration, the contestant will not be allowed to compete for the applicable category trophy. No contestant will be allowed to declare or change a special declaration after firing his/her first shot. The only exception to this rule will be to correct an ATA classification error. The following rules apply to shooters who have declared a special category. At all tournaments where All American points will be awarded in any event, shooters may declare only one (1) category (i.e. Lady I, Lady II, Sub Junior, Junior, Junior Gold, Sub-Veteran, Veteran, or Senior Veteran). Note: Chair shooters are exempt from this rule.

1. A female shooter, who has not reached her 55th Birthday, may declare Lady I.
2. A female shooter, who has reached her 55th Birthday, may declare Lady II.
3. A shooter who has not reached his/her 15th birthday may declare Sub-Junior.
4. A shooter who is 15 but has not reached his/her 18th birthday may declare as Junior.
5. A shooter who is 18 but has not reached his/her 23rd birthday may declare as Junior Gold.
6. A shooter who is 55 but not reached his/her 65th birthday may declare as a Sub-Veteran.
7. A shooter who is 65 but not reached his/her 70th birthday may declare as a Veteran.
8. A shooter who is 70 years of age and older may declare as a Senior Veteran.
9. Age-based categories are established on the birthday of the shooter. For purposes of determining age category for HOA and HAA awards the category declared by the participant on the first day he/she shoots shall be used.
10. Shooters who become eligible for new age-based categories during the target year may elect to continue to compete in the previous category for the remainder of that target year. (For example a shooter reaching age 70 may elect to continue to shoot as a Veteran for the remainder of the current target year.) However, once a shooter has elected to move to the new category that decision is irrevocable and he/she may not again declare eligibility for the previous category. Junior shooters reaching the age of 18 may continue to declare Junior category for the remainder of the current target year.

When there is no Sub-Junior trophy Sub-Juniors will be included in the Junior category. Senior Veterans will be included in the Veteran category when there is no Senior Veteran trophy. Where there is no Junior Gold or Sub-Veteran Trophy, these shooters will be included in the Open Class. Where there is no Lady II trophy, these shooters will be included in the Lady I category.

SPECIAL MINNESOTA-ONLY CATEGORIES

MN LADY B (Previously known as Lady II) applies to female shooters whose Singles Category is Class C or D.

NOVICE CATEGORY applies to shooters with no registered targets prior to the current ATA target year.

TALENT IS NATURAL... EXCELLENCE IS A CHOICE

We've all met that shooter who can pick up a gun and break targets with little or no coaching, right? But to break targets consistently takes dedication to the sport and a good coach, not just natural talent.

Spend an hour or more with a coach like Rick Marshall and he'll tell you that it's not only coaching that will help your shooting, but the consistency of White Flyer targets. The target that world class shooters prefer for all shooting disciplines.

"I've been teaching youth shooters for 20+ years and White Flyer Targets are the most consistent target to use. If you're going to shoot - shoot the BEST! White Flyer!"

MINNESOTA TRAPSHOOTING ASSOCIATION 2018 HALL OF FAME INDUCTEES

ROGER LORENZEN

I remember my early days being exposed to trapshooting, when I accompanied my dad to our local sportsmen's club. The trap machine used to throw the targets was hand set and guess who was nominated to set trap. At the days end of shooting I was allowed to shoot some targets with club members giving me shells. I was hooked for life as a 12 year old. In the 1950's choice of shotguns was limited, a Winchester model 12 trap gun was my favorite.

The next few years saw marked improvement in my shooting ability through pheasant hunting, local meat shoots, and limited registered target shooting. In 1955 the family attended the Minnesota State Shoot held at St. Cloud golf and trap club. I was fortunate to win the Junior Singles Championship with 97x100. This was followed up the next day with a 96x100 in the handicap with was good for third place behind (2) 97x100 for winner and runner-up.

In 1956 I was honored to be selected to the Junior All American Trap Team. Three others from Minnesota, two of them being professional or industry reps of ammunition companies were Dave Yaeger of Federal Cartridge and Roy Long of Winchester . Upon graduating from high school and entering the work force, trap shooting was put on the shelf for 4 years. When I began attending registered shoots I found handicap shooting more to my liking. I achieved the 27 yard line at the Grand American held in Dayton, Ohio in 1962.

In 1973 winning the Minnesota Singles Championship was a rewarding experience. The previous year, while attending the Ohio State Shoot, winning the Non-Resident State championship with high score over the field was a highlight. I attended many of the surrounding state shoots from 1970's through the present.

Family. For Wally Shelstad, creating a strong family bond has fueled his drive for excellence—at home, work, and at the Buffalo Gun Club—and is his secret to overwhelming success.

Wally’s dad, also Walter, lived for hunting and fishing, and included his son as soon as he was old enough to be safe. They were hunting buddies until Walter passed in 1979. It wasn’t until Wally’s wife, Sheri, joined a trap team at her work that Wally became intrigued with the sport. “I had only shot trap once, for a groom’s event. Sheri told me I should check it out.” Wally joined a league in 1976, then a couples’ league later that fall and was hooked. In 1977 he volunteered to be BGC’s Secretary and has served as BGC’s President ever since 1978.

Back then, shooting was more social than competition, with an old fish house serving as the first clubhouse, complete with a little counter, two refrigerators for beer and no rest room, “just some lilac bushes by the North Star gas station!”. With an influx of women shooting, improved facilities were needed and, though cash flow was tight. Wally managed to make ends meet and by 1983 had put up a true building, followed by an addition in 1991. Huge improvements occurred in 2006 when BGC received a MN DNR Shooting Grant—sidewalks were poured and all three trap fields were redone, and again in 2015 when an electrical fire leveled the building. “That fire unified the club,” exclaimed Shelstad. “It unified the members—everyone pulled together and we were back up and running in three days. It was unbelievable!”

Wally introduced ATA registered shooting in 1989 and realized shortly afterward that, if you put together a good program, people would come and support it. “Just like I did in business, I knew I had to develop my own client base with good marketing and incentives—entice people to come and not just expect it—and always let them know how much I appreciated their business.” One big ‘aha’ moment came after Wally thanked an older shooter for coming out. “That shooter

came back five minutes later to tell me that I was the first person who ever thanked him for shooting at a gun club. It was a huge moment for me—customer service—you’ve only got one product at a gun club and that’s the target in the air.” The increase in youth shooting since 2001 has refueled his passion for shooting and managing the club. “The kids bring so much enthusiasm with them when they walk through the gun club door,” says Shelstad. “They just beam!”

While shooting competition used to be a focus, oral cancer in 2012 changed his perspective on the sport. Surgery and radiation on the right side of his face have resulted in loss of hearing, nerve damage and constant pain while shooting, but his new Pro Soft stock looks promising. “Before my cancer I would have called myself a shooter. Now I call myself a supporter, marketer—it’s fun to create something and see how it turns out. I hope to get more shooting in because of the Pro Soft and some decrease in my pain.”

Wally says being the first ATA Club of the Year (2007), ATA Volunteer of the Year (2009), being the 2009 Minnesota’s Doubles Champion with the lone 99x100 in the program and his 99.08 Singles average in 2004 are shooting highlights of his career. The biggest highlight of his life? The constant love and support of his wife Sheri in all his endeavors, and his entire family—Wally, Sheri, & son Kyle—shooting on the same line. “I’m healthy now and looking forward to sharing this sport I love with my grandchildren!” Congratulations, Wally, and thank you for treating all who cross Buffalo Gun Club’s threshold as family.

YOUTH DAY

(Minnesota Residents Only)

Monday July 2, 2018

FREQUENTLY ASKED QUESTIONS

Who can participate? Youth Day is for Minnesota resident youth shooters who fall into AIM age-category guidelines.

Do I have to bring my own shells? Yes. You will be required to bring whatever you will need to shoot the events you choose for the day. Shells are available for purchase on site.

What else should I bring with me? Bring your ATA membership card (the hard blue or orange card with your ATA number on it), your ATA paper average card, a check or cash for registration, your gun and shooting supplies, and be prepared for a fantastic day! Many shooters also bring a small cooler with snacks and drinks. Alexandria Shooting Park will also have items for purchase.

Is it expensive for my youth shooter to participate? No, in fact the MTA grants each Minnesota-resident youth shooter discounted target costs for youth day. In addition the MTA provides discounted targets for the remainder of the shoot for all events. The MTA also pays for the first year's membership dues to the ATA. Shells are the responsibility of each shooter for the events they wish to participate in.

Does the MTA take credit cards or debit cards? No, cash or checks only. There is no ATM onsite so please make sure your shooter comes prepared.

What time should I arrive? Registration begins at 8:00am so plan to come early and be prepared ahead of shooting time, especially if you are looking to join a team or for someone to complete your team. Shooting begins promptly at 9:00am.

I'm a Sub-Junior but my friends are all Juniors – can I shoot with them? Yes. Youth shooters of different age categories may choose to shoot together however, for team award purposes, the shooter with the oldest age category will determine the category for the entire squad. For example: 4 Sub-Jr's and 1 Junior shooting on the same squad will be considered a Junior squad for team purposes only.

I do not have a team. Can I still compete? Absolutely! Youth Day is both a team and an individual competition. Sometimes there are partial teams looking for shooters in their category to make a full team too, so check with shoot staff when you get to this year's Youth Day for more information.

When will trophies be awarded? The Awards Ceremony will convene 1 hour after the final shooter has completed their round.

More information will be mailed out to current ATA youth shooters, gun clubs throwing ATA targets in 2018, and available online at the MTA's official website www.minnesotatrap.com.

If you have specific questions regarding Youth Day, please contact Mark Stevens (612-703-6155) or Sally Stevens (763-486-0853).

HELP SAVE LABOR COSTS

Alexandria Shooting Park has done a great job controlling our labor expenses since they started holding our shoot. To help maintain our low costs, the club and the MTA request that shooters not wishing to save their hulls please catch them and hold them in a bag until you are finished shooting, then discard them in a trash bin.

This will save the labor time required to clean up our fields.

Thank you for your help.

WHAT IS THE DIAMOND BADGE AND WHY DO WE SHOOT FOR IT?

The historic Minnesota Diamond Badge has been in competition since 1885, when George Baldwin of St. Paul won it with a score of 43x50. The badge was donated by the St. Paul citizens and was competed for at the State Fair. The badge was an elaborate affair in design, with guns and other sporting designs, and carried a perfect one-karat diamond in the center. It was a perpetual badge never to be in the possession of any one individual.

The Minnesota Diamond Badge originally consisted of 26 targets at 16 yards and 12 pair of doubles, for a total of 50 targets. It was considered the Minnesota State Championship from 1885 through 1913 until the American Trapshooting began State Championships in 1914.

Each year Minnesota shooters relive the past by competing in a fun shoot with hopes of being honored a Diamond Badge replica. While the shoot format has changed, the competitive spirit associated with Diamond Badge lives on. Good luck today, shooters!

The Minnesota Trapshooting Association is the current custodian and it is kept locked away in a safety deposit box in St. Cloud, MN.

HOW THE ATA SUPPORTS STATE ORGANIZATIONS

The ATA, in its program of building strong state associations, aids them financially. From each \$20 ATA annual membership, \$2 is returned to the state organization. From each \$500 ATA life membership, \$250 is returned to the state organization over a ten (10) year period, and part is retained in a special ATA emergency fund.

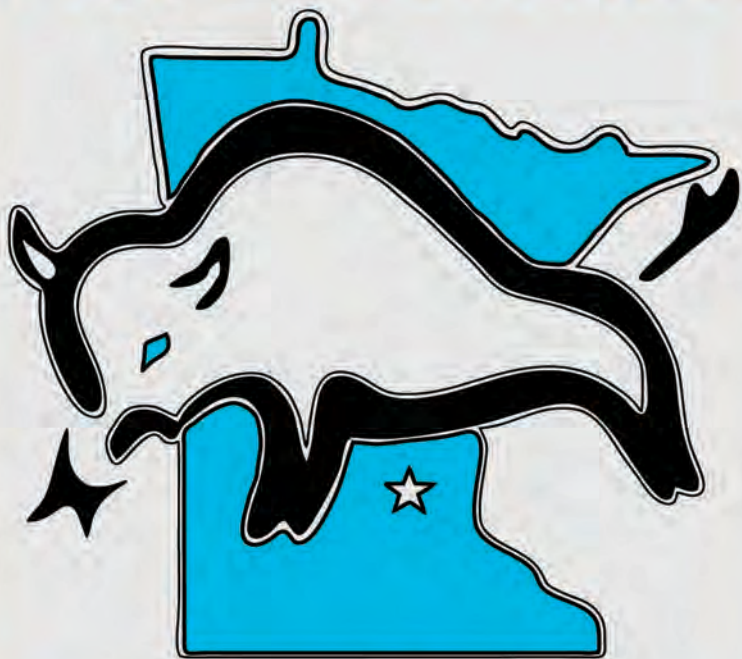

From the \$3 daily fee you pay, twenty percent (20%) is returned to the state organization.

The MTA's refund for 2017 from the ATA is \$5,587.00
