PRESIDENT'S MESSAGE

Fellow Shooters –

Welcome to the 110th Minnesota State Trapshoot. We hope you enjoy our shoot and we are thankful that you chose to attend. Last year the kids almost ran the table in the championship events. Jack Knaus won the doubles with a 98, and 2 rounds of shoot offs over Ben Dietz. Ben Dietz won the 16's with a perfect 200, and 6 rounds of shoot offs over Randy Cook who took Vet. Ben Dietz also won the HAA for a second year in a row with a 396. In the handicap Jake Mader won with the lone 99. The only non-junior to win a championship was the "old kid" Eric Munson with a 1075 in the HOA. Congratulations to all of them.

Please take note of the following items for this year:

1. At the annual Meeting on Sunday at 8:00 AM you will be required to show your paper average card in order to receive a paper ballot if one is required for election of officers. Also those in attendance inside the room will be the only ones allowed to cast a ballot.
2. We will be having a raffle again this year to raise funds to cover the costs of reduced price youth targets, and other youth related expenses. A little change from last year; we will raffle off a Blaser shotgun, and CZ-USA shotgun, and an ATA life membership. Tickets will be \$20 each with 1500 available to sell. *Let's sell these out this year and support the youth shooting!!*

The MTA would like to thank the following event sponsors:

1. Alexandria Shooting Park for Tuesday's Warm-Up Singles
2. Del-Tone/Luth Gun Club for Tuesday's Warm-Up Handicap
3. Buffalo Gun Club for Tuesday's Warm-Up Doubles
4. Monticello Sportsmen Club for Thursday's Singles
5. White Flyer for Thursday's President's Handicap
6. Shamrock Leathers for Thursday's Class Doubles
7. Bob Schultz Target Shotguns for Thursday's Brat Feed. This is open to all shooters and their families.
8. Minneapolis Gun Club for Friday's Memorial Handicap
9. Recob's Target Shop for Friday's Championship Doubles
10. Federal Ammunition for Saturday's Singles Championship
11. Alex Power & Equipment for Sunday's Handicap Championship

The MTA would also like to thank the Minnesota Clubs that gave us flats of shells that will be used as trophies. Those clubs are listed in this program.

Friday evening is our Awards Banquet, and live auction. This year there are no inductees into the Hall of Fame. Please still plan to attend as we will be honoring our state teams, target attainments, years of state shoot attendance, All American Team members and Grand American winners. After the meal and before the program we will have our "live" auction. We are going to try and catch you this year by pulling on your pocket books before you have a chance to leave. Please bid high and often on the items. If you have an item for the "live" or "silent" auction please contact any MTA board member or Mark and Sally Stevens. Proceeds from the auctions benefit the Minnesota Youth Shooting Program and your support is greatly appreciated.

Sunday's Annual Business meeting will begin promptly at 8:00 AM. New officers and directors will be elected and any new business that needs attention will be openly addressed. Should you have something you want to discuss at the annual meeting, please submit your proposal to the MTA secretary, see page 26 for details. Plan on attending to show your support and have your voice heard. Minutes from last year's annual meeting will be posted around the clubhouse for you to view and will not be read, just approved. Minutes are available for viewing on our website.

If and when you see our event sponsors and advertisers, be sure to say "Thank You" for their continued support and dedication to the MTA and our State Shoot. Have yourself a great shoot!

SHOOTER'S RESPONSIBILITIES

1. All shooters participating in any part of the program must show their current ATA average card or yellow ATA payment slip to prove payment for 2020 ATA dues. If neither can be presented the shooter will be required to pay ATA annual dues before participating in any events.
2. Have all scores posted and averages figured on ATA Card before presenting it to the Classification Committee.
3. BE SURE - Once entry is made, it is final. No additions nor withdrawals will be allowed after the event has started.
4. Watch the boards and be ready to compete when your squad is called to the firing line. There will be no waiting for a tardy shooter.
5. If you do miss your squad, you may make up to 50 targets on the practice trap, otherwise report to the office and you will be re-squadded in the last squad if time permits.
6. No scores will be recorded if they are shot in any squad other than the one assigned to you by the office.
7. Check score after each post shot and be sure that they are scored correctly before firing at a target at the next post. Any corrections must be marked "dead" or "lost."
8. Only errors in addition can be corrected after a score sheet leaves the trap.
9. Conduct yourself in accordance with ATA rules at all times.
10. Double check your entry cards. Be sure your Class, Yardage and all other information is correct and legible. It is the responsibility of Lady I, Lady II, Sub-Juniors, Juniors, Junior Gold, Sub-Veterans, Veterans, Senior Veterans, Chairshooters, Novice and MN Lady B to see that they are classified correctly. Report omissions or errors to the MTA Directors at the Classification station immediately.
11. If you win yardage, report to classification and have your average card updated. Class advancements will be automatically bumped by the computer system. Class advancements and earned yardage will be posted on the score board. Be sure to check; it is the shooter's responsibility to be in the correct class and to shoot at the correct yardage. Class advancements start Wednesday.
12. All category shooters must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. Without such declaration, the contestant will not be allowed to compete for the applicable category trophy for the duration of the tournament. No contestant will be allowed to declare or change a special declaration after firing his/her first shot. The only exception to this rule will be to correct an ATA classification error. (See Rule IV, J.) The MTA will be solely responsible for reviewing and correcting any classification error.

OPEN OR OUT

Violators subject themselves to immediate disqualification, without recourse, and dismissal from the grounds.

Thank you for keeping our shoot safe

CATEGORY SHOOTERS

SPECIAL ATA CATEGORIES

(from the 2017 ATA Rulebook, Section IV, Paragraph J.)

All Lady I, Lady II, Sub-Junior, Junior, Junior Gold, Sub-Veteran, Veteran, Sr-Veteran, and Chairshooters must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. Without such declaration, the contestant will not be allowed to compete for the applicable category trophy. No contestant will be allowed to declare or change a special declaration after firing his/her first shot. The only exception to this rule will be to correct an ATA classification error. The following rules apply to shooters who have declared a special category. At all tournaments where All American points will be awarded in any event, shooters may declare only one (1) category (i.e. Lady I, Lady II, Sub Junior, Junior, Junior Gold, Sub-Veteran, Veteran, or Senior Veteran). Note: Chair shooters are exempt from this rule.

1. A female shooter, who has not reached her 55th Birthday, may declare Lady I.
2. A female shooter, who has reached her 55th Birthday, may declare Lady II.
3. A shooter who has not reached his/her 15th birthday may declare Sub-Junior.
4. A shooter who is 15 but has not reached his/her 18th birthday may declare as Junior.
5. A shooter who is 18 but has not reached his/her 23rd birthday may declare as Junior Gold.
6. A shooter who is 55 but not reached his/her 65th birthday may declare as a Sub-Veteran.
7. A shooter who is 65 but not reached his/her 70th birthday may declare as a Veteran.
8. A shooter who is 70 years of age and older may declare as a Senior Veteran.
9. Age-based categories are established on the birthday of the shooter. For purposes of determining age category for HOA and HAA awards the category declared by the participant on the first day he/she shoots shall be used.
10. Shooters who become eligible for new age-based categories during the target year may elect to continue to compete in the previous category for the remainder of that target year. (For example a shooter reaching age 70 may elect to continue to shoot as a Veteran for the remainder of the current target year.) However, once a shooter has elected to move to the new category that decision is irrevocable and he/she may not again declare eligibility for the previous category. Junior shooters reaching the age of 18 may continue to declare Junior category for the remainder of the current target year.

When there is no Sub-Junior trophy Sub-Juniors will be included in the Junior category. Senior Veterans will be included in the Veteran category when there is no Senior Veteran trophy. Where there is no Junior Gold or Sub-Veteran Trophy, these shooters will be included in the Open Class. Where there is no Lady II trophy, these shooters will be included in the Lady I category.

SPECIAL MINNESOTA-ONLY CATEGORIES

MN LADY B (Previously known as Lady II) applies to female shooters whose Singles Category is Class C or D.

NOVICE CATEGORY applies to shooters with no registered targets prior to the current ATA target year.

MINNESOTA TRAPSHOOTING ASSOCIATION

State Team 2020 Requirements

General Requirements

- Only ATA registered targets and Minnesota club attendance from September 1, 2019 through August 31, 2020 will be used in consideration of the Minnesota 2020 State Teams.
- Shooters must register 700 singles, 700 handicap and 400 doubles in state (Sub-Junior categories are not required to shoot doubles).
- Shooters must complete the HAA (High All-Around) at either their resident Minnesota Zone Shoot or the Minnesota State Shoot (Sub-Junior categories are not required to shoot the doubles component of the HAA).
- For State Team purposes, a shooter's category will be determined based on their declared category at the MN state shoot. If the shooter did not attend the state shoot their category will be determined by what the ATA provides us with.
- It is the shooter's responsibility to make sure their shoot records are correct on the ATA website. Once teams are determined additions will not be made because targets were not recorded with the ATA.
- Shooters must compete at a minimum of 4 different clubs* in Minnesota (**NOTE: Junior and Sub-Junior categories are exempt from this requirement**).

*Your resident Minnesota Zone Shoot and the Minnesota State Shoot, regardless of location, EACH count toward your 4 required clubs. If you attend an additional ATA registered target event at that location it will also count toward your club requirements.

Example: Jane attends her resident MN Zone Shoot in Alexandria and attends the MN State Shoot, also held in Alexandria. Earlier that spring she attended an ATA registered shoot put on by the club at the Alexandria Shooting Park. Jane now has fulfilled 3 of the 4 Minnesota club requirements for consideration of the 2019 State Team; she will have to attend an ATA registered shoot at another location to complete her 4 different club requirement.

Target Requirements

- In addition to the general requirements, please note the specific target requirements necessary for your category:

MTA'S COMMITMENT TO YOUTH SHOOTING

The Minnesota Trapshooting Association is committed to actively promoting trapshooting to young people. We encourage every shooter to take a kid out to the range and teach them safety, respect, and the responsibility that goes along with any shooting sport.

Please take the time to build a youth program at your local club. The future of our sport and all shooting sports is in our young people. It is our responsibility to provide them with positive experiences that will start them on the lifelong enjoyment of trapshooting.

YOUTH DAY

(Minnesota Residents Only)

Monday July 6, 2020

FREQUENTLY ASKED QUESTIONS

Who can participate? Youth Day is for Minnesota resident ATA (Amateur Trapshooting Association) youth shooters who fall into the ATA's youth age-category guidelines (up to 22 years old; see AIM age guidelines). Minnesota's AIM shooters may also register to make their scores count towards the MN State Singles & Handicap AIM Championships, meaning they will be eligible for two sets of prizes for each 100-bird event they shoot!

Do I need to be an ATA member? Yes. If you have never been an ATA member, mySA will provide your first membership free of charge. If you need to renew your ATA membership you may do so the day of the shoot (\$12 annual youth membership). If you also want to participate in the concurrent AIM State Championship you must also be an AIM member (\$13 annual youth membership), but AIM membership is not required to participate in Youth Day-only events.

What time should I arrive? Registration begins at 8:00am so plan to come early and be prepared ahead of shooting time, especially if you are looking to join a team or for someone to complete your team. Shooting begins promptly at 9:00am.

How does sign-up work? First, you need to prove you are a current ATA member or sign up/renew that morning. If you are participating in the AIM Championship(s) you must also show that you are a current member. Second, our volunteers will determine your appropriate age category (Pre-Sub, Sub-Jr, Junior, or Junior Gold). Third, you choose a spot to shoot on the squad board. Finally, pay at the cashier. You can register for Singles & Handicap at the same time if you want, or each event individually, but you must pay before you shoot.

What events can I shoot in? There are two 100-bird Youth Day events (Singles & Handicap) with prizes for each. You can choose to shoot in one or both. In the Singles event, which is first, there is a team component as well as an individual component. Only teams of five shooters are eligible for team prizes. Youth shooters of different age categories may choose to shoot together however, for team award purposes, the shooter with the oldest age category will determine the category for the entire squad. The 100-bird Handicap event starts immediately after the Singles event is completed. If you have registered for the AIM State Championship, your scores in the Singles &/or Handicap events will be used for AIM prizes as well, which also includes a Singles team component.

I do not have a team. Can I still compete? Absolutely! Sometimes there are partial teams looking for shooters in their category to make a full team too, so check with shoot staff when you get to this year's Youth Day for more information.

Do I have to bring my own shells? Yes. You will need 4 boxes for each event you choose to shoot, and more if you want to practice. Singles and Handicap events are 100-bird events. Shells must be 7.5 or 8 shot only and are available for purchase.

What else should I bring with me? Bring your ATA membership hard card, your ATA paper average card, proof of ATA and/or AIM annual membership or paperwork to sign up that morning (we will have some available), a check or cash for registration, your gun and shooting supplies, and any personal items. There is no ATM on site and the MTA does not take credit cards.

When will trophies be awarded? The Awards Ceremony will convene 1 hour after the final shooter has completed their round in the last event of the day.

More information will be mailed out to current ATA youth shooters, gun clubs throwing ATA targets in 2020, and available online at the MTA's official website www.minnesotatrap.com and mySA's website at www.minnesotashotgun.org.

If you have specific questions regarding Youth Day and or AIM, please contact Mark Stevens (612-703-6155) or Sally Stevens (763-486-0853)

HELP SAVE LABOR COSTS

Alexandria Shooting Park has done a great job controlling our labor expenses since they started holding our shoot. To help maintain our low costs, the club and the MTA request that shooters not wishing to save their hulls please catch them and hold them in a bag until you are finished shooting, then discard them in a trash bin.

This will save the labor time required to clean up our fields.

Thank you for your help.

WHAT IS THE DIAMOND BADGE AND WHY DO WE SHOOT FOR IT?

The historic Minnesota Diamond Badge has been in competition since 1885, when George Baldwin of St. Paul won it with a score of 43x50. The badge was donated by the St. Paul citizens and was competed for at the State Fair. The badge was an elaborate affair in design, with guns and other sporting designs, and carried a perfect one-karat diamond in the center. It was a perpetual badge never to be in the possession of any one individual.

The Minnesota Diamond Badge originally consisted of 26 targets at 16 yards and 12 pair of doubles, for a total of 50 targets. It was considered the Minnesota State Championship from 1885 through 1913 until the American Trapshooting began State Championships in 1914.

Each year Minnesota shooters relive the past by competing in a fun shoot with hopes of being honored a Diamond Badge replica. While the shoot format has changed, the competitive spirit associated with Diamond Badge lives on. Good luck today, shooters!

The Minnesota Trapshooting Association is the current custodian and it is kept locked away in a safety deposit box in St. Cloud, MN.

HOW THE ATA SUPPORTS STATE ORGANIZATIONS

The ATA, in its program of building strong state associations, aids them financially. From each \$20 ATA annual membership, \$2 is returned to the state organization. From each \$500 ATA life membership, \$250 is returned to the state organization over a ten (10) year period, and part is retained in a special ATA emergency fund.

From the \$3 daily fee you pay, twenty percent (20%) is returned to the state organization.

The MTA's refund for 2019 from the ATA is \$6,061.00
