

**ATA DELEGATE REPORT**  
**MARCH 2014**  
**Mark Stevens, Minnesota**

As I sit down to write this it is 4 degrees above zero with a 28 mile per hour wind. Most of outstate MN is in a blizzard with zero visibility and sheltered inside for today. Roads have been barricaded off and closed, no travel is advised. I am told chili is on the stove, so tonight, will be a perfect winter evening.

Congratulations go out to our Captains for the MN All State Teams. They are as follows:

Eric Munson	Men's Team
Mariah Michaelis	Women's Team
Dean Walker	Veterans Team
Lou Kosiba	Sr. Veterans Team
Nick Fetzik	Jr. Team
Max Bunning	Sub-Jr. Team

You can view the complete list of team members by going to the MTA web site at [Minnesotatrap.com](http://Minnesotatrap.com)

Congratulations also go out to Minnesota shooters whom were accepted to the 2014 All American Teams. We are proud of you. They are as follows:

Scott Gens	Men's First Team
Eric Munson	Men's Second Team
Dean Neumann	Men's Second Team
Roman Pompe	Men's Second Team (Czech Republic) honorary Minnesotan on even days.
Brittany Vajdl	Lady's First Team
Nick Fetzik	Junior Second Team
Colton Langer	Junior Second Team
Zach Warweg	Junior Gold Second Team
Gunnar Gens	Sub Junior Second Team
William VanNieuwenhuzen	Sub-Veteran Second Team
Mark Zauhar	Sub-Veteran Second Team
Dean Walker	Veteran Second Team
Lou Kosiba	Senior Veteran First Team

Level 1 coaching Schools at Buffalo are full for the January and March Class with 25 participants each. An additional class may be opening up on April 5<sup>th</sup> and 6<sup>th</sup> class, again to be held in Buffalo, MN. If you are interested please email me at [Mark@airclimatecontrol.com](mailto:Mark@airclimatecontrol.com). The price is \$125.00 to cover the cost of the course. When we receive your email we will forward you the address to send your payment to. We will also include the schedule for the class. We have received many requests for this, so please hurry as this will be our last class in Minnesota, until the snow files next year.

We are saddened to hear of another passing of one of our members. Ronald A. Guttorsman of Burup, MN, passed away at 74 years old. Ron was a farmer by trade, and also an outdoorsman who loved hunting and fishing, and a shooting mentor to many. Ron mentored in the Red River Sportsman's Club at Pesley, MN, the Moorhead Rod and Gun Club and Clay County 4H. Ron's information is posted on the

Minnesotatrap.com site. The Minnesota Trap Shooting Association and board wish to extend our sincere condolences to the family and friends of Ronald A. Guttorsman.

We are currently working on Minnesota's youth chain shoot schedule, which is a series of ATA registered youth-only shoots, so look for them soon on MinnesotaYSA.org site. If you or your business are interested in making a donation to the MN youth trapshooting auction and fundraiser to be held at our 2014 State Shoot in Alexandria, please contact Sally Stevens at: [Sallystevens@me.com](mailto:Sallystevens@me.com) or phone 763-486-0853. Your donation is 100% tax deductible, and you will be receipted. All Minnesotata ATA youth shooters could sure use the help.

Please remember, if you are a new club throwing registered targets for the first time, the Minnesota Trap Shooting Association would like to assist you. We will help you run your shoot and provide a trophy package for your club. We will assist you in the paper work and steps to learn to run registered shoots on your own with confidence. Please contact Sally, our MTA Secretary, for more information.

Once again, please be safe out there. Get out and support your local clubs throwing Jackpot Targets. They appreciate your business. I hope to run into you on the line somewhere soon.

Mark Stevens  
MN ATA Delegate
