PRESIDENT'S MESSAGE

Fellow Shooters –

Well, it's finally come! My last president's message! My term is up this year and someone needs to step up and take over.

Welcome to the 112th Minnesota State Trapshooting Tournament. We hope you enjoy our shoot, and we are thankful that you chose to attend. If you can't attend we understand with the rising costs of everything. Congratulations to last year's winners in the championship events: Gunnar Gens in the doubles, Leo Brand in the singles, Kallista Roers in the Handicap, Nick Kubasch in the HAA and John Kelly in the HOA. This year we will be inducting John Berning and Curt Peterson into our Hall of Fame. That ceremony will be Friday night at the club.

Please take note of the following items for this year:

1. The Hall of Fame Ceremony will be held on Friday night at the club. The caterers need a head count by the end of the day, Wednesday. So please buy your tickets at the cashiers windows before then. If you are not coming to the shoot till after Wednesday and want to attend please RSVP on our website, minnesotatrap.com.
2. We will be using the shoot program SOS Clays this year. Please look for signage around the club for where you can see scores online.
3. Because of rising labor costs, target prices, etc. we have had to make changes to the program and trophies. Tuesday will be the MTA Youth Day (AIM event will be held later at Del Tone) and marathon targets in singles, handicap, doubles will be available if you need targets to not shoot penalty.
4. Silent Auction will be held this year.
5. At the Annual Meeting on Sunday at 8:00 AM you will be required to show your paper average card to receive a paper ballot if one is required for election of officers. Also, those in attendance inside the room will be the only ones allowed to cast a ballot.

The MTA would like to thank the following sponsors:

If you have an item for the Silent Auction, please contact any MTA board member or Mark and Sally Stevens. Proceeds from the auctions benefit the Minnesota Youth Shooting Program and your support is greatly appreciated. We also have a gun raffle this year, which the proceeds benefit the youth program. So, see a board member to purchase your tickets!!!

Sunday's Annual Business meeting will begin promptly at 8:00 AM. New officers and directors will be elected and any new business that needs attention will be openly addressed. Should you have something you want to discuss at the annual meeting, please submit your proposal to the BOD at least 10 days prior to the meeting. Plan on attending to show your support and have your voice heard. Minutes from last year's annual meeting will be posted around the clubhouse for you to view and will not be read, just approved. Minutes are also on our website.

If and when you see our event sponsors and advertisers, be sure to say "Thank You" for their continued support and dedication to the MTA and our State Shoot. Have yourself a great shoot!

Sincerely,

Matt Bickell

6. No scores will be recorded if they are shot in any squad other than the one assigned to you by the office.

11. If you win yardage, report to classification and have your average card updated. Class advancements will be automatically bumped by the computer system. Class advancements and earned yardage will be posted on the score board. Be sure to check; it is the shooter's responsibility to be in the correct class and to shoot at the correct yardage. Class advancements start Wednesday.

MINNESOTA TRAPSHOOTING ASSOCIATION 2023 HALL OF FAME INDUCTEE

John Berning Supporting Member

John grew up across the river from the Crow River Sportsmen's club, just outside St. Michael, Mn. He started shooting there when he was a young boy, 13 years of age, and developed a passion for shooting sports that would last him a lifetime. It was at CRSC that he managed the trap shooting leagues throughout the 1980's, and remained an active member for the rest of his life.

As John's passion for shooting grew, he started shooting registered targets in 1976. While he did find success in shooting in his career, his passion soon led him into business within the shooting sports industry. With him often frequenting so many clubs and shoots, he thought he would try his hand at selling reloading components, shot shells, firearms, clay targets, etc. In 1983, he started operations as John Berning Sports, and he did so as a side job to his iron working career. When starting his business, John would often bring components with him to work, and drop them off for a customer, or a gun club, on the way home. What started out with inventory being delivered to John in the trunks of cars, eventually turned into semi-tractor trailer loads, as he built his business into a 7 day per week operation.

A work accident in the early 1990's gave him the ability to further build his business, and it was a business he built based on handshakes, and friendships. John was a humble, and rather quiet man, but he was blessed with the ability to connect with people of all sorts, including the youth in our sport. His ability to provide what shooters needed to pursue their passion, and following through on his word, meant much more to him than anything else. Building these relationships brought John personal enrichment, which was much more important to him than monetary enrichment. And operating with that philosophy helped build a customer base from the surrounding five state area. The shooting world was his family away from home. He loved being at the gun clubs, seeing his friends, and helping them with their shooting needs throughout his nearly 40 years in business.

John was a passionate proponent for all gun clubs. He'd make it a point to attend even the smallest of shoots, just to see his friends, and support their gun clubs. He was a shareholder and member of many gun clubs in Minnesota. Another passion of his was youth trap shooting. He would not miss a minute of shooting competition, especially when his grandchildren started to shoot trap. He was a quiet, but proud supporter of many youth, and high school programs. He attended all the big youth tournaments when possible and was also an avid supporter of USA Shooting.

Throughout John's career in shooting, and the shooting sports industry, he had the strong support of his wife Carmen, and two sons, Cary (Kim) and Scott (Becky). He was a proud grandfather of Paige, Lane, and Kalley, and great-grand daughter Rhea.

MINNESOTA TRAPSHOOTING ASSOCIATION 2023 HALL OF FAME INDUCTEE

Curt Peterson
Shooting Member

Curt grew up in rural southern Minnesota farm country and as a kid all he could think about was hunting. He would ride his bike with his 410 single shot across the handle bars to hunt rabbits, ducks, and geese.

Curt started shooting trap with his Grampa and Uncles in a pasture. He soon moved on to merchandise shoots at the East Chain Sportsman Club, and then to the Fairmont Trap Club which he still belongs to today.

Curt started shooting registered targets in 1975 and is still going strong today. As of the end of the 2022 shooting year, Curt had registered 163,650-16 yard targets, 147,600-handicap targets, and 91,150 doubles targets

Curt's wife Alice has been a great supporter. They have two children, a daughter Michelle, and son Ryan. The Peterson's also have two Grandsons, Bryan and Colby, both excellent shooters.

Some of Curts most memorable accomplishments are...

Winning 2 - 16 yard Non-Resident Championships at the South Dakota State Shoot.

Being a member of a 500 x 500 squad at the 2012 Grand American; all of whom were Minnesota shooters... Dave Harris, Glen Linden, Mariah Michaelis, and Tim Mackey.

Breaking a 98 in handicap at the Minnesota State Shoot and winning the shoot off against Harlan Campbell.

Breaking a 99 in the handicap event at the Spring Grand and winning the shoot off against Pat Lamont .

Winning a handicap event at the Minnesota State Shoot with a 99 from the 27 yard line.

Minnesota All State Teams 11 times. ATA All American team 5 times.

Curt loves the competition – win or lose, it really doesn't matter, its all part of the fun. Curt wants to Thank the MTA board for this great honor and all the memories.

CATEGORY SHOOTERS

SPECIAL ATA CATEGORIES

(from the 2021 ATA Rulebook, Section IV, Paragraph K)

All Ladies, Sub-Juniors, Juniors, Junior-Golds, Sub-Vets, Veterans, Senior-Vets, and Chair Shooters must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. Without such declaration, the contestant will not be allowed to compete for the applicable category trophy. No contestant will be allowed to declare or change a special declaration after firing his/her first shot. If a classification error is discovered BEFORE the close of an event, the error shall be corrected for that event and all subsequent events. If an error is discovered AFTER an event is closed, all corrections shall be made for subsequent events only. In either case, all previous events the shooter shot in will be in the "Open Category". Either case may or may not affect the shooters eligibility for the HOA and HAA, depending on when the error was corrected.

1. A female shooter, who has not reached her 55th Birthday, may declare Lady I
2. A female shooter, who has reached her 55th Birthday, may declare Lady II
3. A shooter who has not reached his/her 15th birthday may declare Sub-Junior.
4. A shooter who is 15 but has not reached his/her 18th birthday may declare as Junior.
5. A shooter who is 18 but has not reached his/her 23rd birthday may declare as Junior Gold.
6. A shooter who is 55 but not reached his/her 65th birthday may declare as a Sub Veteran.
7. A shooter who is 65 but not reached his/her 70th birthday may declare as a Veteran.
8. A shooter who is 70 years of age and older may declare as a Senior Veteran.
This rule does not supersede paragraph 10.
9. Age based categories are established on the birthday of the shooter. For purposes of determining age category for HOA and HAA awards the category declared by the participant on the first day he/she shoots shall be used.
10. Shooters who become eligible for new age based categories during the target year may elect to continue to compete in the previous category for the remainder of that target year. (For example a shooter reaching age 70 may elect to continue to shoot as a Veteran for the remainder of the current target year.) However, once a shooter has elected to 18 move to the new category that decision is irrevocable and he/she may not again declare eligibility for the previous category. Junior shooters reaching the age of 18 may continue to declare Junior category for the remainder of the current target year.

Note: Age based special category shooters that are in contention for or desire to achieve All-American Team recognition should review the All-American Team policy on page 57 prior to declaring a new special category.

When there is no Sub-Junior trophy, Sub-Juniors will be included in the Junior category. Senior-Veterans will be included in the Veteran category when there is no Senior-Veteran trophy.

Where there is no Junior-Gold or Sub-Veteran Trophy, these shooters will be Included in the Open Class. Where there is no Lady II trophy, these shooters will be included in the Lady I category.

L. CHAIR SHOOTERS

Only shooters that have a permanent disability or condition that requires them to shoot from other than a standing position shall qualify for the Chair Category.

1. The Chair category designation will be assigned only by the Central Handicap Committeor Zone CHC representative upon request by each individual shooter and a new average card will be issued with the Chair Designation.
2. Shooters with a temporary condition that requires a scooter or other type of device are not qualified for Chair Category.

This rule does not in any way prohibit any shooter from shooting from a chair, stool, scooter or any other seating device.

SPECIAL MINNESOTA-ONLY CATEGORIES

MN LADY B (Previously known as Lady II) applies to female shooters whose Singles Category is Class C or D.

NOVICE CATEGORY applies to shooters with no registered targets prior to the current ATA target year.

MINNESOTA TRAPSHOOTING ASSOCIATION

State Team 2023 Requirements

General Requirements

- Only ATA registered targets and Minnesota club attendance from September 1, 2022 through August 31, 2023 will be used in consideration of the Minnesota 2023 State Teams.
- Shooters must register 700 singles, 700 handicap and 400 doubles in state (Sub-Junior categories are not required to shoot doubles).
- Shooters must complete the HAA (High All-Around) at either their resident Minnesota Zone Shoot or the Minnesota State Shoot (Sub-Junior categories are not required to shoot the doubles component of the HAA).
- For State Team purposes, a shooter's category will be determined based on their declared category at the MN state shoot. If the shooter did not attend the state shoot their category will be determined by what the ATA provides us with.
- It is the shooter's responsibility to make sure their shoot records are correct on the ATA website. Once teams are determined additions will not be made because targets were not recorded with the ATA.
- Shooters must compete at a minimum of 4 different clubs* in Minnesota (**NOTE: Junior and Sub-Junior categories are exempt from this requirement**).

*Your resident Minnesota Zone Shoot and the Minnesota State Shoot, regardless of location, EACH count toward your 4 required clubs. If you attend an additional ATA registered target event at that location it will also count toward your club requirements.

Example: Jane attends her resident MN Zone Shoot in Alexandria and attends the MN State Shoot, also held in Alexandria. Earlier that spring she attended an ATA registered shoot put on by the club at the Alexandria Shooting Park. Jane now has fulfilled 3 of the 4 Minnesota club requirements for consideration of the 2022 State Team; she will have to attend an ATA registered shoot at another location to complete her 4 different club requirement.

YOUTH DAY

(Minnesota Residents Only)

Tuesday July 4, 2023

FREQUENTLY ASKED QUESTIONS

Who can participate? Youth Day is for Minnesota resident youth shooters who fall into AIM age-category guidelines.

Do I have to bring my own shells? Yes. You will be required to bring whatever you will need to shoot the events you choose for the day. Shells are available for purchase on site.

What else should I bring with me? Bring your ATA membership card (the hard blue or orange card with your ATA number on it), your ATA paper average card, a check or cash for registration, your gun and shooting supplies, and be prepared for a fantastic day! Many shooters also bring a small cooler with snacks and drinks. Alexandria Shooting Park will also have items for purchase.

Is it expensive for my youth shooter to participate? No, in fact the MTA grants each Minnesota-resident youth shooter discounted target costs for youth day. In addition the MTA provides discounted targets for the remainder of the shoot for all events. The MTA also pays for the first year's membership dues to the ATA. Shells are the responsibility of each shooter for the events they wish to participate in.

Does the MTA take credit cards or debit cards? No, cash or checks only. There is no ATM onsite so please make sure your shooter comes prepared.

What time should I arrive? Registration begins at 8:00am so plan to come early and be prepared ahead of shooting time, especially if you are looking to join a team or for someone to complete your team. Shooting begins promptly at 9:00am.

I'm a Sub-Junior but my friends are all Juniors – can I shoot with them? Yes. Youth shooters of different age categories may choose to shoot together however, for team award purposes, the shooter with the oldest age category will determine the category for the entire squad. For example: 4 Sub-Jr's and 1 Junior shooting on the same squad will be considered a Junior squad for team purposes only.

I do not have a team. Can I still compete? Absolutely! Youth Day is both a team and an individual competition. Sometimes there are partial teams looking for shooters in their category to make a full team too, so check with shoot staff when you get to this year's Youth Day for more information.

When will trophies be awarded? The Awards Ceremony will convene 1 hour after the final shooter has completed their round.

More information will be mailed out to current ATA youth shooters, gun clubs throwing ATA targets in 2023, and available online at the MTA's official website www.minnesotatrap.com.

If you have specific questions regarding Youth Day, please contact Mark Stevens (612-703-6155) or Sally Stevens (763-486-0853).

HELP SAVE LABOR COSTS

Alexandria Shooting Park has done a great job controlling our labor expenses since they started holding our shoot. To help maintain our low costs, the club and the MTA request that shooters not wishing to save their hulls please catch them and hold them in a bag until you are finished shooting, then discard them in a trash bin.

This will save the labor time required to clean up our fields.

Thank you for your help.

WHAT IS THE DIAMOND BADGE AND WHY DO WE SHOOT FOR IT?

The historic Minnesota Diamond Badge has been in competition since 1885, when George Baldwin of St. Paul won it with a score of 43x50. The badge was donated by the St. Paul citizens and was competed for at the State Fair. The badge was an elaborate affair in design, with guns and other sporting designs, and carried a perfect one-karat diamond in the center. It was a perpetual badge never to be in the possession of any one individual.

The Minnesota Diamond Badge originally consisted of 26 targets at 16 yards and 12 pair of doubles, for a total of 50 targets. It was considered the Minnesota State Championship from 1885 through 1913 until the American Trapshooting began State Championships in 1914.

Each year Minnesota shooters relive the past by competing in a fun shoot with hopes of being honored a Diamond Badge replica. While the shoot format has changed, the competitive spirit associated with Diamond Badge lives on. Good luck today, shooters!

The Minnesota Trapshooting Association is the current custodian and it is kept locked away in a safety deposit box in St. Cloud, MN.

HOW THE ATA SUPPORTS STATE ORGANIZATIONS

The ATA, in its program of building strong state associations, aids them financially. From each \$20 ATA annual membership, \$2 is returned to the state organization. From each \$500 ATA life membership, \$250 is returned to the state organization over a ten (10) year period, and part is retained in a special ATA emergency fund.

From the \$3 daily fee you pay, twenty percent (20%) is returned to the state organization.

The MTA's refund for 2022 from the ATA is \$5,436.00
