

2023 Northern Zone Minutes  
6/17//2023

Sr. zone director Randy Cook called the 2023 zone meeting to order. Jason Vlasak read the minutes from the 2022 zone meeting. The zone minutes were approved as read.

Old Business:

- Make sure you keep your average cards up to date to help speed up the classifying.

New Business:

- 2024 Zone Shoot: Motion by Kim Krueger, seconded by Shawn Ramsey to have Bemidji host the Northern Zoon shoot in 2024. They are the next club in the rotation. Motion passed.
- Northern Zone Director: Mike Lekatz made a motion to elect Mike Wenner as Northern Zone Director, Frank Redfield seconded, motion passed.

Other Business:

- New owners at ASP
- Reminder to get your shoot dates figured out for next year and get them on the calendar at the MN State Shoot.
- Hall of Fames banquet will be held on Friday this year. You will need to have your tickets purchased by noon on Wednesday.
- There are still tickets available for the MTA raffle.
- Dennis Steinhouse asked why we are getting done later and later, even after we have gone to 9 banks. Reminder that the directors are responsible for the shoot and may need to hustle squads along.
- Discussion on the target counting starting after the MN State Shoot. If we would go back to the current target year, that would force more shooters to shoot the local clubs in the spring to get the minimum targets for the MN State Shoot and bring more shooters to the local clubs.

Motion to adjourn by Troy Haverly, seconded by Dean Walker, motion passed.

Respectfully submitted by Randy Cook
