**Old Business:**

Reading of the 2022 minutes were read and approved by voice vote with no additions or subtractions.

**New Business:**

Was discussion on number of targets and if it was going to be a one or two day shoot. Discussion on where the zone shoot to be held. David Harris advised that it was Owatonna's turn but they had heard there was another club interested.

Chad Stuewe advised that Lester Prairie was interested in hosting the shoot, but that they wanted to do a one day shoot and they wanted it on Father's day, June 16<sup>th</sup>, 2024 because the club is rented out for graduations on Saturdays.

After discussion it was decided that they were able to host the shoot, but they needed to hold an ATA event other than a MYSA shoot, the shoot could be a marathon shoot and it needed to be held prior to the end of the 2023 target on September 1<sup>st</sup>. In addition they needed to have the clubs grounds and traps certified by our ATA delegate. The tentative date for the shoot is June 16<sup>th</sup>, 2024. A motion was made by Matthew Hoffman and 2<sup>nd</sup> by Amy Howard. Motion passed.

Also discussion on the ATA who keeps moving the Grand back earlier and earlier every year. Discussion on what happens if we need to change our state shoot. Discussion that we need to look at in the future.

Nick Kubasch term is up at the end of the 2023 State shoot and his position needs to filled. Glen Lonneman asked if Nick was still interested and when he stated that he was he was nominated by Glen Lonneman and 2<sup>nd</sup> by Scott Gens. After there was no other nominations received Scott Gens made a motion to cease nominations which was 2<sup>nd</sup> by Glen Lonneman. Voice vote was taken and Nick was re-elected to another term.

After no other business Curt Peterson made the motion to adjourn. Motion was 2<sup>nd</sup> by Rich Wolf, motion passed.

Respectively Submitted,

Bryan Boltjes
