MINNESOTA TRAPSHOOTING ASSOCIATION 2024 HALL OF FAME INDUCTEE

Mike Michaelis Shooting Member

It was 1980 when Mike Michaelis was first introduced to the sport of Trapshooting at the Monticello Rod and Gun Club. Making the switch from playing softball a few nights a week to shooting league, is what opened the door to what is now a way of life for Mike. After six years of shooting league, he became an ATA member and helped build the Monticello Sportsman's Club later that year. Fast forward thirty-eight years, and MSC is now home to five traps that serve twenty-five league teams and one hundred local youth shooters three nights a week. Buying targets, sourcing shells, fixing traps, and running ATA shoots, Mike is always working hard to create an enjoyable place to shoot.

Since the start of his registered shooting career in 1986, Mike has not missed a single Minnesota State Shoot. His attendance was often met with helping set targets, fixing machines, or scoring shoot offs. Six of those years were also spent serving on the Board of Directors as well as two years as Vice President of the Minnesota Trapshooting Association.

When he's not working, he sneaks in some shooting as well. It is Mike's goal to support as many clubs across the United States as possible, so each year he visits at least one new location. As of February 2024, Mike has shot 73,100 Singles, 72,050 Handicap, and 63,050 Doubles targets in over thirteen states. His dedication has earned him a place on the MN Men's Second Team six times in the years 2009, 2011, 2012, 2013, 2018, 2021 along with a spot on the Veteran's First Team this last season. Just a few of his recent Minnesota titles include 2016 Sub Vet Doubles Champion, 2019 HAA class A Champion, 2019 HOA class A Champion, 2023 Vet Handicap Champion, 2023 class A Champion, and Vet Champion of Champions in 2023. However, his favorite accomplishment to date is getting to share the line with his kids David, Annah, Mariah, and son-in-law Matt.

Aside from his own shooting, Mike has devoted his spare time to making sure that anyone interested in trapshooting, has an opportunity to enjoy the sport. What started as hitting the patterning board and practice trap with his own three kids, has continued years later for those that find themselves at a gun club for the first time. Loaning guns, offering a ride to shoots, and reloading lightweight shells are just a few of the little things that Mike does that go a long way in growing the sport.

To Mike, his lifetime membership of the ATA is not so much about competing in the sport, as it is the lifelong friendships and memories that have been made along the way. Often, if he is going on a vacation somewhere, Mike is figuring out a way to get his gun and shells there too.

MINNESOTA TRAPSHOOTING ASSOCIATION 2024 HALL OF FAME INDUCTEE

George Pappas 2024 Hall of Fame Inductee

George Pappas is being inducted into the Minnesota Trap Shooting Hall of Fame in the shooting category.

George has accumulated a total ATA target count exceeding 280,000 targets. He joined the

ATA in 1992 and recorded his first targets at the Jack Meade Gun Club in Proctor, Minnesota. He has won numerous trophies including 31 at our Minnesota State shoot, and 45 at the Grand American and various Satellite Grands. He has been on the ATA All-American team three times with his most recent selection in 2023. He has been on our state team 11 times with his most recent selection in 2022. He earned his AA27AA recognition in 2006. He has been an ATA life member since 2012. George's first trap targets were at the Jack Meade Club in 1977 where he shot in their leagues.

George has been very active as in our trap shooting community as well. George has been an MTA Director, Alternate Delegate, and Delegate. He has volunteered to set targets at our state shoot. His donations to our youth fund auctions have been outstanding. He donated fishing trips and a Lab puppy each year for six years, netting our association's youth fund over \$15,000. He started the walleye Wednesday night feed during our state shoot. He fully donated the fish the first year and prepared, cooked and served the fish for all three years.

George has been on the board at the Jack Meade Club in Proctor for over 35 years. As a board member, George is not a person that just fills a chair, he works. For the last several years George has served as the club President. He has also been their maintenance person, trap mechanic, supply procurer, snow plower, and business manager. He has also been responsible for the club's success developing a solid youth program. To date they have six high school teams and a college team shooting targets at the club. George was instrumental in getting the programs started at all seven schools as well as currently coaching two of the teams. Together, the revenue generated by the kid's teams makes up 80% of the club's total dollar revenue.

Besides trapshooting, George enjoys fishing for walleyes and hunting deer. His favorite though is duck hunting. He has traveled to several states and to Canada to hunt ducks. He is married to Pam and together they have six children and 20 grandchildren and seven great grandchildren. Congratulations George!

All Ladies, Sub-Juniors, Juniors, Junior-Golds, Sub-Vets, Veterans, Senior-Vets, must declare their special category at the time of classification in any registered tournament if they wish to compete as a category shooter. Without such declaration, the contestant will not be allowed to compete for the applicable category trophy. No contestant will be allowed to declare or change a special declaration after firing his/her first shot. If a classification error is discovered BEFORE the close of an event, the error shall be corrected for that event and all subsequent events. If an error is discovered AFTER an event is closed, all corrections shall be made for subsequent events only. In either case, all previous events the shooter shot in will be in the "Open Category". Either case may or may not affect the shooters eligibility for the HOA and HAA, depending on when the error was corrected.

1. A female shooter, who has not reached her 55th Birthday, may declare Lady I
2. A female shooter, who has reached her 55th Birthday, may declare Lady II
3. A shooter who has not reached his/her 15th birthday may declare Sub-Junior.
4. A shooter who is 15 but has not reached his/her 18th birthday may declare as Junior.
5. A shooter who is 18 but has not reached his/her 23rd birthday may declare as Junior Gold.
6. A shooter who is 55 but has not reached his/her 65th birthday may declare as a Sub Veteran.
7. A shooter who is 65 has not reached his/her 70th birthday may declare as a Veteran.
8. A shooter who is 70 years of age and older may declare as a Senior Veteran.
This rule does not supersede paragraph 10.
9. Age based categories are established on the birthday of the shooter. For purposes of determining age category for HOA and HAA awards the category declared by the participant on the first day he/she shoots shall be used.
10. Shooters who become eligible for new age-based categories during the target year may elect to continue to compete in the previous category for the remainder of that target year. (For example, a shooter reaching age 70 may elect to continue to shoot as a Veteran for the remainder of the current target year.) However, once a shooter has elected to move to the new category that decision is irrevocable and he/she may not again declare eligibility for the previous category. Junior shooters reaching the age of 18 may continue to declare Junior category for the remainder of the current target year.

Note: Age based special category shooters that are in contention for or desire to achieve All-American Team recognition should review the All-American Team policy on page 57 prior to declaring a new special category.

When there is no Sub-Junior trophy, Sub-Juniors will be included in the Junior category. Senior-Veterans will be included in the Veteran category when there is no Senior-Veteran trophy.

Where there is no Junior-Gold or Sub-Veteran Trophy, these shooters will be Included in the Open Class. Where there is no Lady II trophy, these shooters will be included in the Lady I category.

SPECIAL MINNESOTA-ONLY CATEGORIES

MN LADY B (Previously known as Lady II) applies to female shooters whose Singles Category is Class C or D.

NOVICE CATEGORY applies to shooters with no registered targets prior to the current ATA target year.

State Team 2024 Requirements

General Requirements

- Only ATA registered targets and Minnesota club attendance from September 1, 2023 through August 31, 2024, will be used in consideration of the Minnesota 2024 State Teams.
- Shooters must register **700 singles, 700 handicap and 400 doubles in state** (Sub-Junior categories are not required to shoot doubles).
- Shooters must complete the HAA (High All-Around) at either their resident Minnesota Zone Shoot or the Minnesota State Shoot. (Sub-Junior categories are not required to shoot the doubles component of the HAA).
- For State Team purposes, a shooter's category will be determined based on their declared category in the MN Zone Shoot and MN State Shoot whichever the shooter attends first.
- Shooters must compete at a minimum of 4 different clubs* in Minnesota (NOTE: Junior and Sub-Junior categories are exempt from this requirement).

*Your resident Minnesota Zone Shoot and the Minnesota State Shoot, regardless of location, EACH count toward your 4 required clubs. If you attend an additional ATA registered target event at that location it will also count toward your club requirements. The ATA Central Zone Shoot does not QUALIFY as separate club if you have already shot at that location.

Example: Jane attends her resident MN Zone Shoot in Alexandria and attends the MN State Shoot, also held in Alexandria. Earlier that spring she attended an ATA registered shoot put on by the club at the Alexandria Shooting Park. Jane now has fulfilled 3 of the 4 Minnesota club requirements for consideration of the 2024 State Team; she will have to attend an ATA registered shoot at another location to complete her 4 different club requirement.

MTA'S COMMITMENT TO YOUTH SHOOTING

The Minnesota Trapshooting Association is committed to actively promoting trapshooting to young people. We encourage every shooter to take a kid out to the range and teach them safety, respect, and the responsibility that goes along with any shooting sport.

Please take the time to build a youth program at your local club. The future of our sport and all shooting sports is in our young people. It is our responsibility to provide them with positive experiences that will lead them to the lifelong enjoyment of trapshooting.

YOUTH DAY

(Minnesota Residents Only)

Tuesday June 25, 2024

FREQUENTLY ASKED QUESTIONS

Who can participate? Youth Day is for Minnesota resident youth shooters who fall into AIM age-category guidelines.

Do I have to bring my own shells? Yes. You will be required to bring whatever you will need to shoot the events you choose for the day. Shells are available for purchase on site.

What else should I bring with me? Bring your ATA membership card (the hard blue or orange card with your ATA number on it), your ATA paper average card, a check or cash for registration, your gun and shooting supplies, and be prepared for a fantastic day! Many shooters also bring a small cooler with snacks and drinks. Alexandria Shooting Park will also have items for purchase.

Is it expensive for my youth shooter to participate? No, in fact the MTA grants each Minnesota-resident youth shooter discounted target costs for youth day. In addition, the MTA provides discounted targets for the remainder of the shoot for all events. The MTA also pays for the first year's membership dues to the ATA. Shells are the responsibility of each shooter for the events they wish to participate in.

Does the MTA take credit cards or debit cards? No, cash or checks only. There is no ATM onsite so please make sure your shooter comes prepared.

What time should I arrive? Registration begins at 8:00am so plan to come early and be prepared ahead of shooting time, especially if you are looking to join a team or for someone to complete your team. Shooting begins promptly at 9:00am.

I'm a Sub-Junior but my friends are all Juniors – can I shoot with them? Yes. Youth shooters of different age categories may choose to shoot together however, for team award purposes, the shooter with the oldest age category will determine the category for the entire squad. For example: 4 Sub-Jr's and 1 Junior shooting on the same squad will be considered a Junior squad for team purposes only.

I do not have a team. Can I still compete? Absolutely! Youth Day is both a team and an individual competition. Sometimes there are partial teams looking for shooters in their category to make a full team too, so check with shoot staff when you get to this year's Youth Day for more information.

When will trophies be awarded? The Awards Ceremony will convene 1 hour after the final shooter has completed their round.

More information will be mailed out to current ATA youth shooters, gun clubs throwing ATA targets in 2024, and available online at the MTA's official website www.minnesotatrap.com.

If you have specific questions regarding Youth Day, please contact Mark Stevens (612-703-6155) or Sally Stevens (763-486-0853).

HELP SAVE LABOR COSTS

Alexandria Shooting Park has done a great job controlling our labor expenses since they started holding our shoot. To help maintain our low costs, the club and the MTA request that shooters not wishing to save their hulls please catch them and hold them in a bag until you are finished shooting, then discard them in a trash bin.

This will save the labor time required to clean up our fields.

Thank you for your help.

WHAT IS THE DIAMOND BADGE AND WHY DO WE SHOOT FOR IT?

The historic Minnesota Diamond Badge has been in competition since 1885, when George Baldwin of St. Paul won it with a score of 43x50. The badge was donated by the St. Paul citizens and was competed for at the State Fair. The badge was an elaborate affair in design, with guns and other sporting designs, and carried a perfect one-karat diamond in the center. It was a perpetual badge never to be in the possession of any one individual.

The Minnesota Diamond Badge originally consisted of 26 targets at 16 yards and 12 pairs of doubles, for a total of 50 targets. It was considered the Minnesota State Championship from 1885 through 1913 until the American Trapshooting began State Championships in 1914.

Each year Minnesota shooters relive the past by competing in a fun shoot with hopes of being honored as a Diamond Badge replica. While the shoot format has changed, the competitive spirit associated with Diamond Badge lives on. Good luck today, shooters!

The Minnesota Trapshooting Association is the current custodian and it is kept locked away in a safety deposit box in St. Cloud, MN.

HOW THE ATA SUPPORTS STATE ORGANIZATIONS

The ATA, in its program of building strong state associations, aids them financially. From each \$20 ATA annual membership, \$2 is returned to the state organization. From each \$500 ATA life membership, \$250 is returned to the state organization over a ten (10) year period, and part is retained in a special ATA emergency fund.

From the \$4.00 daily fee you pay, twenty percent (20%) is returned to the state organization.

The MTA's refund for 2023 from the ATA is \$5,269.00
