Old Business:

Raffle: Rich needs all the tickets in ASAP to get ready for the raffle on Sunday. We are still short of breaking even. Reminder this raffle supports the youth.

New Business:

Zone Shoots: 2024 zone shoots were discussed

1. Northern Zone will be in Bemidji June 15 & 16
2. Central Zone will be in Beaverbrook June 15 with June 16 rainday
3. Southern Zone will be in Lester Prairie June 16
 - Lester Prairie will need to be re-certified and hold a shoot before September 1, 2023 to be able to hold the Southern Zone Shoot

ATA Central Zone Shoot 2024: Central Zone Shoot will be held in Owatonna in 2024

MN State Shoot Dates 2024: The MN State Shoot dates for 2024 will be July 2-7

Computer Monitors: We have some MTA computer monitors. If any clubs would like them, take them. Any monitors still left Saturday morning will be put out on the tables for members to take.

Issues:

1. Pullers need to shut the speakers off after rounds. Seeing extra birds being thrown.

2. Board members are allowed to adjust traps if someone wants them adjusted.

Other business:

Lakeshore Conservation Club: Received some complaints about canceling shoots. People driving to the club only to find out the shoot was canceled.

SOS Clays: They are having a few issues but hope to get the issues figured out. We do have a representative at the shoot helping us out. Data Base issue seems to be the problem. Shoots using Shoot Pro were also having problems locking up. Scores R we have problems with the financial reports needed.

2023 Banquet: 90 tickets were sold

The next meeting will be at Del-Tone on September 9, after shooting.

Bryan Boltjes moved to adjourn the meeting at 7:53 pm, Peter Walker seconded, Adjourned.

Respectfully submitted,

Shawn King, MTA Secretary
